

The Clay-Platte Montessori School Chess Club

Chess Club welcomes Pre-School through 8th grade students, so if you do not know how to play our royal game and would like to learn, please join our club. The goal of each club meeting is to **have fun** while learning chess. The chess club will meet on **Fridays after school from 3:30 - 4:15**. Chess Club will meet **September 1st through December 15th**.

The Kansas City Chess Club chess curriculum will guide students from *Pawn to King* level advancement. Progress will be measured by a chess skills test taken at the end of each level. Students may participate **as a team** against other schools at local chess tournaments.

Ken Fee and his staff of certified chess instructors from *The Kansas City Chess Club* will be teaching players about important rules, chess etiquette, strategy, openings, endgames, and tactics. Research says chess improves test scores on Math and Reading!

Ken Fee is a nationally certified chess coach and tournament director at *The Kansas City Chess Club*. Ken plays tournament chess and has coached numerous Missouri and Kansas State Chess Champions.
